

May 30th 2020

The I.M.C.A. Old Timers will be hosting a vintage racing event during Jackson Motorplex's USAC show May 30, 2020. Here is your chance to get your vintage car out and run on the historic Jackson Speedway Open to all Vintage Clubs.

This is a great chance to get some track time and also be part of a sprint car weekend. If you have not been to Jackson recently they have gone all out to make this a premier dirt racing facility. New grand stands, moved the pits, a full camp ground for you to overnight.

Please contact me if you are interested, as we are looking for a car count.
